

Holy God, I repent for anything I have done to give place to fear or the spirit of fear in my life.

I confess the sins of my former generations where doors were open and they were given to fear or the spirit of fear.

I close those doors to the enemy right now.

Father, I repent of not trusting You and Your love for me.

I repent for believing that I had to take matters into my own hands and protect myself.

Please forgive me for how I have treated other people because of fear.

Forgive me for my lack of faith and for not fully trusting you with my life.

I renounce you, Spirit of Fear.

I cancel any action or words on my part that have given you a legal foothold in my life.

I shut the door on you and seal that door closed in Jesus' name.

I refuse to agree with your lies and I stand by faith upon God's Word.

The Lord is my strength and my hope!

And now, by the blood of Jesus and through His victory at the cross, I **break** the power and influence of fear and the spirit of fear in my life.

I cancel all agreements I have ever made with fear.

I also **break** all sacrifices, blood sacrifices, covenants, and blood covenants that have given access to the spirit of fear.

Spirit of fear, in Jesus' name, I **break** your power and control in my life.

You were defeated at the cross, and you are defeated in my life here today!

I declare and affirm my choice to trust God with my life.

Father God, I surrender my life to You.

I thank you for being my Protector and my Provider.

I can live Fearless - In Jesus' name, Amen.
